OLMP School is currently celebrating the season of Lent with our annual Lenten Fundraiser!

Lent is a season of the Christian Year where we focus on simple living, prayer, and fasting in order to grow closer to God. It begins on February 14th, with Ash Wednesday, and will end by Easter.

At OLMP School we do a Lenten fundraiser annually to help an organization in the community and to remind us of the importance of giving up something for the good of others. This year our High School Leadership Students are working to raise funds for various service projects and groups such as the Camrose Women's Shelter, and Valeda House (a women's support program with Catholic Social Services).

The Camrose Women's Shelter is a 22 bed facility which operates an emergency shelter and provides a safe, supportive place for women and children who are escaping domestic violence in a crisis situation or who may be homeless. Beyond provision of basic needs (food, clothing, shelter,) the shelter provides supportive counseling, referrals, safety planning, information on domestic violence and life skills groups, an on-site K-9 school, childcare, parenting assistance and Outreach. An average of 400 women and children from Camrose and surrounding communities seek refuge at the shelter each year.

To support our fundraising efforts we are asking each student at OLMP School to sell flower filled planters, tomatoes with cage, or herb trays for Mother's Day. All the planters will be an assortment of colours and include petunias, verbena, bacopa, callies, fuchsia, lobelia and dahlias. Examples of these baskets can be viewed on the OLMP School website under Student Life/Leadership Council.

Orders will be due to your homeroom teachers no later than March 21st. These **planters will be delivered to the school the Wednesday before Mother's Day – May, 9th.** When the planters come in on this date we will have each student/parent pick up the flowers on May 9th between 3 and 5pm. If you could arrange appropriate pick up of your planters it would be greatly appreciated since the flowers cannot be transported on the school buses.

Thank you for your support.

God Bless!
