### **Approval of Agenda**

LynnAnn Swerda and Melanie Marohn

### **Treasurer Report**

10,800.00 Approximate

### **Correspondence**

Fundraising – cookies. Kelly will hold on to the information for a later date. May be an option

### **Hot Lunch**

Was an issue with PayPal, they require new information to keep the school account open and running. No one willing to provide personal information, government form, bank statements, notice of assessment just to run a PayPal account for not for profit. Hot lunch committee will look into another option for next year. Munch a lunch is another option for hot lunch in the future.

No hot lunch for June, as there is an issue with PayPal holding funds approximately \$5800.00. This is due to the new information needed to have a PayPal account. This has since been addressed, the account was open to transfer funds and then closed.

Tammy will send out an email for the grade nine students who are attending the PARTY program in Edmonton on the 22 of May that they will not be there to receive hot lunch. Make arrangements to pick up your students' hot lunch if wanting to.

Distribution issues with hot lunch. 5's and 6's through first, when the bell rings it is whoever is there goes first. Older students are being pushed back once the bell rings in order to serve younger ones who are running late. Better distribution of hot lunch needs to be found.

### **New Business**

ASCA meeting was well represented by EICS. There was a vote as to whether the Separate and Public systems should come together to be one school division.

OLMP's chairs could not attend this meeting and voted by proxy against the two divisions becoming one.

The end vote, Catholic schools will remain separate.

Kristy and Kevin will look into new signage for the parking lot, congestion and people parking where they shouldn't be, makes it hard for busses and students to get in and out of the school.

### **Wish Lists**

Some teachers wish lists have come in. They were all tabled for further discussion when the treasurer will be available and parent council knows how much money is available.

## **Principals Report**

Lent flower sales fundraiser went really well. There were transport delays, so the students learned some new lessons on time management etc. Evergreen out of Red Deer supplies the flowers.

Track meet Grades 5-7 May 14, Grades 7 – 9 May 16, Grades 10 -12 May 15

Wake a thon – good turn out in support of the ELL Students

Handball provincials coming up, short season.

CWL, Wednesday's until the end of May will have a prayer service at lunch

PAT Part A grade 6 and 9 are already complete

Possibly holding academic awards in June. Better turnout than in the fall.
