Grade 11 (2019-2020)**

The Staples School Tools Program

Staples makes Back to School efficient, affordable and easier for EICS parents!

Staples School Tools is a program that provides pre-packaged school supply kits for students containing supplies that have been selected, endorsed and approved by your child's school.

The School Tools Program allows you to view and order the upcoming year's required supplies list for your child, as specified by their teacher, and is the most efficient way to ensure that your child has all the core supplies they need on their first day back.

Benefits of Staples School Tools:

- Quick and easy way to purchase your child's teacher-selected items for class (online or in-store)
- Guaranteed quality products
- Competitive pricing means great value
- School-year product guarantee – Enjoy hassle-free product replacement
- Labels are also provided and free of charge to allow you to identify all your child's supplies
- Prices include GST
- Packaged in a Reusable Staples supplies bag

For inquiries, please e-mail us at staplesschooltools@gmail.com

To order, please see instructions included with this letter.

Review and order the upcoming year's required supplies list online at staplesschooltools.ca by clicking the "Log In Using Reference Number" from the main menu and then selecting "Single Student Payment". Enter the reference number for the package that you want to review and order.

PACKAGE TYPES

REFERENCE NUMBER

Technology Use

At OLMP, we strive to keep the use of technology for educational purposes while the students are in the classroom. With the evolution of technology and our schools 1:1 environment, we recognize the importance of the integration of technology for educational purposes dedicated to learning and instruction. Students are expected to follow proper etiquette in using cell phones and other electronic devices (see cell phone policy in the policy section of this handbook). The use of electronic devices that may disrupt the learning environment is prohibited.

Students will be responsible for adhering to regular rules of respect and courtesy as well as rules related to digital citizenship. Under the Freedom of Information and Privacy Act, ***it is against the law*** to take pictures, record or video other individuals without their consent. ***It is also against the law to take, possess, show or distribute inappropriate media of yourself or others at any time.*** The local police may be contacted if this occurs. All students and parents/guardians are required to sign the EICS technology use agreement on PowerSchool. This policy is in effect for all technology use within the school.

As an EICS school, OLMP has a One to One Technology Initiative. Students from grades 4-12 are invited to bring their own technology for use in their learning experience with the ultimate goal of supporting and engaging all students to achieve success in a 21st Century learning environment. Students will use devices responsibly, and only with the permission and direction of the teacher or other staff member.

Students should bring their devices to class with the following criteria:

- 6 hours of battery life
- Internet access (chrome browser preferred)
- Google apps for education downloaded
- Minimum screen size of 7 inches and physical keyboard

Student must adhere to the “responsible use agreement” and the “one to one user agreement” signed at the beginning of the year regarding appropriate technology use on PowerSchool.

Dear Parent/Guardian,

We are pleased to advise you that Staples – Sherwood Park, Fort Saskatchewan, and Camrose have been selected, for the fourth year, to partner with the Elk Island Catholic School Division’s One-to-One Learning Initiative Program. The One-to-One Program means students can bring their own devices to school for educational purposes.

The value of having the right partnership to deliver high quality products and customer service is important to the school, the district, and to all the students and their families. We are proud to partner with you and provide a total solution.

The Staples School Tools “One-to-One” solution offers;
