Revenue Model: Funds collected in this project are generated from student fees, as described below:
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a cost recovery fee collected for this project.

Purpose: *Student Fee*
The purpose of this project is to collect fees for students to receive an Agenda. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website.
Donation/Fundraising/Other

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Enhanced supplies

Surplus/Deficit Handling Plan: *Plan for handling unspent fees collected from students:*
After the project is completed, any unplanned surplus over \$1.00/student will be credited back to the student account. Any unplanned surplus of \$1.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name: **Art 5/6**

Person responsible: Petiot, Debbie

Revenue Model: Funds collected in this project are generated from student fees, as described below:
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$20.00 fee collected for this project.

Purpose: *Student Fee*
The purpose of this project is to collect fees for students to participate in Design & Communication Art. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website.
Donation/Fundraising/Other

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Admission Fees
- Enhanced supplies

- Transportation costs
- Art themed field trips.

Surplus/Deficit Handling Plan: *Plan for handling unspent fees collected from students:*
 After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name: **Art 7/8**

Person responsible: Petiot, Deborah, Shakeshaft, S

Revenue Model: Funds collected in this project are generated from student fees, as described below:
 The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$25.00 fee collected for this project.

Purpose: *Student Fee*
 The purpose of this project is to collect fees for students to participate in Art. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website.
Donation/Fundraising/Other

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Admission Fees
- Enhanced supplies
- Teacher replacement time
- Transportation costs
- Art themed field trips.

Surplus/Deficit Handling Plan: *Plan for handling unspent fees collected from students:*
 After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name: **Art 9-12**

Person responsible: Music, Dakota

Revenue Model: Funds collected in this project are generated from student fees, as described below:
 The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a fee collected for this project as follows: Gr 9-\$50.00, HS PT \$50.00 and HS FT \$75.00.

Purpose: *Student Fee*
 The purpose of this project is to collect fees for students to participate in Art. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website.
Donation/Fundraising/Other

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Educational presentations
- Enhanced supplies

Surplus/Deficit Handling Plan: *Plan for handling unspent fees collected from students:*
After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name: **ASLC/HSL Trips**

Person responsible: Terlesky, Daniette

Revenue Model: Funds collected in this project are generated from student fees, as described below:
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a cost recovery fee collected for this project. An outline of costs will be provided to parents prior to the fee being charged to the student account.
Additionally, some funds collected in this project are generated from donation, fundraising or other revenue sources.

Purpose: *Student Fee*
The purpose of this project is to collect fees for students to participate in CSLC/ASLC Leadership trips. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website.
Donation/Fundraising/Other
The purpose of this project is to account for funds which are generated from fundraising done by students attending trips and donations received for a specific trip.

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Admission Fees
- Educational presentations
- Enhanced supplies
- Non-curricular goods
- Teacher replacement time
- Transportation costs

Surplus/Deficit Handling Plan: *Plan for handling unspent fees collected from students:*
Unplanned deficits will be covered by the students attending trips as outlined in their pre-trip package.
Plan for handling unspent donations, fundraising, or other revenue received:
At the end of the year, any unspent funds will remain in the project and be carried forward for future use.

Project name: **Athletic Equipment Replacement Account**

Person responsible: Popowich, Ryan

Revenue Model: Funds collected in this project are generated from donation, fundraising or other revenue sources.

Purpose:

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Admission Fees
- Enhanced supplies
- Non-curricular goods
- Transportation costs

Surplus/Deficit Handling Plan: *Plan for handling unspent donations, fundraising, or other revenue received:*
At the end of the year, any unspent funds will remain in the project to a maximum balance of \$50,000.00 and will be carried forward for future use.

Project name: **Athletic Performance 9**

Person responsible: Clarkson, Cheryl

Revenue Model: Funds collected in this project are generated from student fees, as described below:
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$75.00 fee collected for this project.

Purpose: *Student Fee*
The purpose of this project is to collect fees for students to participate in Athletic Performance. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website.
Donation/Fundraising/Other

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Admission Fees
- Educational presentations
- Enhanced supplies
- Non-curricular goods
- Transportation costs

Surplus/Deficit Handling Plan: *Plan for handling unspent fees collected from students:*
After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name: **Athletics-Donations/Fundraising**

Person responsible: Popowich, Ryan

Revenue Model: Funds collected in this project are generated from donation, fundraising or other revenue sources.

Purpose:

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Admission Fees
- Educational presentations
- Enhanced supplies
- Non-curricular goods
- Teacher replacement time
- Transportation costs

Surplus/Deficit Handling Plan: *Plan for handling unspent donations, fundraising, or other revenue received:*
At the end of the year, any unspent funds will remain in the project and be carried forward for future use.

Project name: **Badminton**

Person responsible: Popowich, Ryan

Revenue Model: Funds collected in this project are generated from student fees, as described below:
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a fee collected for this project as follows: Gr 5/6-\$10.00, Gr 7/9-\$20.00, Gr 10/12-\$25.00. A Provincial fee and tournament fee may be charged.

Purpose: *Student Fee*
The purpose of this project is to collect fees for students to participate in Badminton. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website.
Donation/Fundraising/Other

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Admission Fees
- Enhanced supplies
- Equipment replacement, school with 500+ students (maximum \$3.00 per student to a maximum balance of \$50,000)
- Non-curricular goods
- Teacher replacement time
- Transportation costs

Surplus/Deficit Handling Plan: *Plan for handling unspent fees collected from students:*
After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name: **Basketball 5/6**

Person responsible: Reinhart, Jaymie

Revenue Model: Funds collected in this project are generated from student fees, as described below:
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$25.00 fee collected for this project.

Purpose: *Student Fee*
The purpose of this project is to collect fees for students to participate in Basketball. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website.
Donation/Fundraising/Other

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Admission Fees

- Enhanced supplies
- Equipment replacement, school with 500+ students (maximum \$3.00 per student to a maximum balance of \$50,000)
- Non-curricular goods
- Teacher replacement time
- Transportation costs

Surplus/Deficit Handling Plan:

Plan for handling unspent fees collected from students:
 After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's Athletic equipment replacement account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's Athletic equipment replacement account.

Project name:

Basketball HS Boys

Person responsible:

Watson, Jody

Revenue Model:

Funds collected in this project are generated from student fees, as described below:
 The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$400.00 fee collected for this project. An additional Provincial fee and Tournament Fee may be charged on a cost recovery basis.
 Additionally, some funds collected in this project are generated from donation, fundraising or other revenue sources.

Purpose:

Student Fee
 The purpose of this project is to collect fees for students to participate in HS Boys Basketball. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. \$15.00/player fee will also be transferred to the Athletic equipment replacement account for the purchase of new jerseys.
Donation/Fundraising/Other
 The purpose of this project is to account for funds which are generated from Community sponsors.

Items/Services to be purchased:

Fees for this project may be used towards the following:

- Admission Fees
- Enhanced supplies
- Equipment replacement, school with 500+ students (maximum \$3.00 per student to a maximum balance of \$50,000)
- Non-curricular goods
- Teacher replacement time
- Transportation costs

Surplus/Deficit Handling Plan:

Plan for handling unspent fees collected from students:
 After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's Athletic equipment replacement account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's Athletic equipment replacement account.
