OLMP School is currently celebrating the season of Lent with our annual Lenten Fundraiser!

Lent is a season of the Christian Year where we focus on simple living, prayer, and fasting in order to grow closer to God. It begins on March 1st, with Ash Wednesday, and will end by Easter.

At OLMP School we do a Lenten fundraiser annually to help an organization in the community and to remind us of the importance of giving up something for the good of others. This year we are working to earn funds for the new church being built. Our High School Leadership Students are coordinating this year's fundraising efforts for the new St. Francis Church stained glass windows.

To support our efforts we are asking each student at OLMP School to sell flower filled planters for Mother's Day. All the planters will be an assortment of colours and include petunias, verbena, bacopa, callies, fuchsia, lobelia and dahlias. Examples of these baskets can be viewed on the OLMP School website under Home/School News or Student Life/Leadership Council.

The homeroom class that raises the most funds will win pizza donated by Pizza 73 and an afternoon of fun golfing from The Clubhouse Virtual Golf in Camrose <http://clubhousevirtualgolf.com/>

**Orders will be due to your homeroom teachers no later than March 30<sup>th</sup>. These planters will be delivered to the school the Wednesday before Mother's Day – May, 10<sup>th</sup>.** When the planters come in on this date we will have each student/parent pick up the flowers on May 10th between 3 and 5pm. If you could arrange appropriate pick up of your planters it would be greatly appreciated since the flowers cannot be transported on the school buses.

Thank you for your support. God Bless!

Message from OLMP High School Leadership CSLC Students

Several of our High School Leadership Students have been given the opportunity to participate in the Canada Student Leadership Conference (CSLC) this September in Waterloo, Ontario. CSLC 2017 "StartUp Leadership" will feature a wide variety of keynote speakers, group workshops, cultural moments and entertainment. High School students selected to attend CSLC are chosen on the basis of their involvement in leadership projects (service projects, school spirit work, and work in the community).

In order to build their leadership skills and raise funds for this opportunity High School Leadership students are working to create a school cookbook that will allow our OLMP Royal family to share special recipes each individual family uses throughout the year to celebrate special occasions and share family time together. To participate submit one or more recipe by filling out the template on the back of this page. More templates can be found on the school website under Home/School News and/or Student Life/Leadership Council.: <https://olmp.eics.ab.ca/>

Please complete the order form on the back of this page to submit a recipe(s) as well as the order details below. You will be contacted at a later date once the cook books are ready so you can submit a formal order and pay for cookbooks.
